All concerned are hereby instructed to submit the current status in the specified format to facilitate assessment of the progress made in implementing the DG's directions at the unit level:-

SN	Point No.	Points/Instructions	Action taken by
01	2 (18)	DG remarked that capacity building for drone handlers must be undertaken and any training requirements should be communicated to the Training Dte, FHIQ. Drone patrolling schedules must be varied to avoid predictability. All Unit Commanders to review theft incidents from the past three years in detail, analyze the timing and locations of recurring cases and deploy drone patrols accordingly. Each Unit must establish a Command Centre to monitor live drone feed. Drone sightings must be properly documented and reported to the local police for legal action with intimation to FHIQ. Unit Commanders should coordinate with local police authorities to declare specific areas in and around plant premises as 'No Drone' flying zones. Additionally, provisions under BNSS Section 163 must be publicized to raise public awareness. The general public should also be informed about zones notified as 'Red Zones' for drone operations. Shooting down a drone should only be considered as a last resort. Before taking such action, the Unit Commander must ensure that all precautionary and preventive measures have been thoroughly implemented	All Coy Commanders and IC QM and IC CIW
02	2 (29)	DG directed that Unit Commander should involve themselves in sports/games activities with the personnel. DG emphasized the importance of playing outdoor games in stress management and maintaining good health. Recent guidelines issued by FHIQ that each personnel should get at least 01 hour for game should be implemented strictly. DG also highlighted the importance of use of millets in our daily meals in maintaining overall health	All Coy Commanders and IC QM and IC CIW
03	31	CISF Unit NALCO Damanjodi : c. Health camps & sports activities should be organized in nearby villages for enhancement of communication and to promote mutual harmony	All Coy Commanders and IC QM and IC CIW

SL No.	Points/Instructions	Action taken by
01	DG directed to have first responders training for (i) First Aid (ii) Fire Emergency and (iii) Disaster Management in all Units. DG further directed that Trg Dte may evolve a mechanism for trainees at the basic level with an intent to have whole Force personnel become first responder in these cases	All Coy Commanders and IC QM and IC CIW
02	Sources of information should be developed outside the plant area by organizing health camps, sports activities, etc., in coordination with nearby villagers	All Coy Commanders and IC QM and IC CIW
03	Grievances should be disposed of within stipulated time.	All Coy Commanders and IC QM and IC CIW
04	Unit Commanders should involve themselves in sports activities organized in the Unit.	All Coy Commanders and IC QM and IC CIW
05	Action should be taken on major pending issues: if required, the matter may be escalated to higher formations for necessary directions.	All Coy Commanders and IC QM and IC CIW
06	Professional engagement like liaison with local police, CSR activities, Sports, Health camps etc. should be ensured	All Coy Commanders and IC QM and IC CIW
